

AODA COMPLIANCE

Rainbow Electronics Spotwelding Inc.

September 2013

Rainbow Electronics Spotwelding Inc. is committed to excellence in serving its customers, vendors and others who access our goods and services, including people with disabilities. We strive to treat all people with respect and are committed to the principles of independence, dignity, integration and equal opportunity. We are committed to providing access to our goods and services in a manner that is consistent with these values in order to ensure that people with disabilities may obtain, use or benefit from our goods and services equally.

Rainbow Electronics acknowledges and endorses the principles of the provincial Accessibility for Ontarians with Disabilities Act (2005).

Rainbow Electronics has created a policy with respect to the Customer Service Standard of the AODA and undertaken training for staff who interact with members of the public who may visit our premises for business purposes.

Rainbow Electronics allows Persons with Disabilities to utilize either Support Persons or Support Animals as required.

Questions concerning Rainbow Electronics' compliance in this regard are welcome to contact us via e-mail at welding@rainbow-electronics.com.
